CHANGE ^{IS YOUR} RESPONSIBILITY

Jesus said to him, “If you can believe, all things are possible to him who believes” (Mark 9:23 NKJV)

The remarkable account in Mark chapter 9 tells the story of a father who was desperate for his son’s healing. His little boy had been afflicted by a deaf and dumb spirit; several times, he would suffer convulsions and the evil spirit would cast him into fire and water to destroy him.

This was a complicated case because not only did the child suffer convulsions, but his condition was also caused by a deaf and dumb spirit. This meant the boy was deaf and dumb or would go deaf and dumb every time the evil spirit took over him.

The Bible also tells us he had suffered from the condition since he was a child. Imagine the emotional turmoil the boy’s father and his family must have gone through until they heard about Jesus.

The man went to Jesus’ disciples but they couldn’t cast the devil out. Then, he met Jesus and cried out to Him, **“...if thou canst do anything, have compassion on us, and help us” (Mark 9:22).**

Now, it’s very important that you notice Jesus’ response. He said, **“If thou canst believe, all things are possible to him that believeth” (Mark 9:23).** The Master turned the whole thing around and said, *“The power of God can do anything, so it’s not a question of what I can do; it’s what you can believe.”*

The man probably saw Jesus as a good miracle worker, and that was why he spoke the way he did. That’s the way some people think today, and it’s wrong. Understand that it’s not what the minister can do. The question is, how much can you believe?

Maybe there’s a condition in your body right now and you’re saying, *“Oh! I wish somebody would pray for me.”*

No. Jesus said that if you believe, all things are possible to you. You can change that situation. It’s a question of how much you can believe and what your faith can receive.

Understand that if your situation is going to change, it’s going to be by your faith. It’s not another person’s faith or the minister’s faith, but your faith that will change that situation. Jesus didn’t say, *“If thou can believe, all things are possible to God.”* He said all things are possible to YOU when you believe. No matter what you’re going through today, you can change it if you can believe.

“For whatsoever is born of God overcometh the world: and this is the victory that overcometh the world, even our faith” (1 John 5:4). The lack of understanding of this truth is the reason some people pray like this when they face difficulties in their lives: *“I know my God is going to do it; I know He will not fail me.”* Though that sounds wonderful, it’s wrong and it will not work. It’s not God’s responsibility to effect the change you desire; it’s your responsibility.

I would to God that all of God’s children would understand that Christianity is not a life that we live with the expectation that God will help us out. God has already done everything necessary for you to live a healthy, prosperous, joyful, and fulfilled life. What you need is the application of your faith.

If there’s something in your body that you don’t like, don’t stay with it; change it! And you do this by voicing and acting your faith. Get to God’s Word that tells you of your divine health and healing in Christ Jesus, and then voice it and act that way. Even when it seems like nothing happened, keep acting your faith; it’s only a matter of time before the change will be evident for all to see because faith always works!

If you want to make Jesus Christ the Lord of your life, say this prayer, believing with all your heart:

“O Lord God, I come to You in the Name of Jesus. I believe that Jesus Christ is the Son of the Living God. I believe that God raised Him from the dead and I confess with my mouth that Jesus Christ is the Lord of my life from today.

I receive, by faith, remission of sins for my soul. Right now, in the Name of our Lord, Jesus Christ, I receive eternal life into my spirit.

I am born again!”

ANTICIPATING A SEASON OF RESPLENDENT MIRACLES

At the July 2023 Healing Streams Live Healing Services with Pastor Chris

FRIDAY 28TH – SUNDAY 30TH JULY 2023 | 3 PM (GMT+1) DAILY

www.healingstreams.tv/LHS

Jesus Christ never changes! He is the same yesterday, today, and forever” (Hebrews 13:8 CEV).

Our Lord Jesus Christ healed the sick and freed the oppressed in times past, and continues till today. He made the lame walk, the maimed whole, the blind see, the deaf hear, and the dumb speak; He cleansed lepers and cast out demons. He staunched a woman’s blood flow, gave sight to blind Bartimaeus, healed Peter’s mother-in-law and the centurion’s daughter; He even raised the dead back to life!

Today, through Healing Streams Live Healing Services with Pastor Chris, we have seen these miracles and so many more replicated and multiplied on a global scale.

Amazing wonders and miracles characterize these healing services. We’ve seen diseases like cancer, HIV, asthma and many others that defied solutions – medical or otherwise – become history.

For those who are in dire need of a solution, an answer, or a most desirous change to their situation, the Healing Streams project God’s power and love, so that problems are dissolved and sickness fades to nothing.

In past episodes, people from all walks of life took bold steps and participated in the Healing Streams. Their expectations for glorious things and miraculous changes were exceeded by the power of God.

Kelvin from Kenya was incapacitated by polymyositis, a rare inflammatory autoimmune disease, for over two years. All treatments proved futile and his condition was consequently declared incurable. All he got were medications to manage the pain and discomfort. Unwilling to continue living in such a state, he resolved to rely on God's word when news of the March 2023 Healing Streams Live Healing Services reached him. His moment of restoration came as the man of God, Pastor Chris, commanded healing to his body in the Name of Jesus Christ, and Kelvin was made whole instantly. *"I felt something leave my body during the prayers and all the pain and symptoms vanished. I have not taken any medication since then and I walk perfectly without aid. I am thankful to God and Pastor Chris for the sacrifice of taking healing to the nations,"* he said.

A sudden awkward fall in 2019 resulted in muscle and bone complications for 65-year-old Quefengqin from China. Afterward, she was diagnosed with lumbar spondylosis, bone spurs, meniscus detachment, and ligament rupture. This led to frequent headaches, swelling and stiffness of knee joints, chronic pains in her waist, and more. All recourse to find a cure was to no avail until she came to the March 2023 Healing Streams Live Healing Services with Pastor Chris. Quefengqin received her healing as the man of God called her name and commanded health to her body. *"I slept soundly that night and woke up full of strength. I no longer have to wear a strap belt; I can exercise now, and all the pain is gone,"* she attests.

Marie from the United Kingdom sustained damage to her right ear when she was nine years old. This led to hearing loss and decades of debilitating pain, consistent headaches, bleeding, and futile visits to the hospital in a bid to find a lasting solution. Her moment of divine visitation came when she participated in the Live Healing Services. As Pastor ministered healing to deaf ears at the program, Marie suddenly noticed that she could hear from her right ear. She says, *"To be sure, I blocked my left ear with my fingers, and I could still hear the man of God and the people around me talking clearly. Since then, I can hear perfectly and have experienced no pain or bleeding. This is a big miracle for me! After more than 40 years, I can now hear perfectly. Thank you, Pastor Chris."*

FRIDAY 28TH – SUNDAY 30TH JULY 2023 | 3 PM (GMT+1) DAILY

In 2020, Tanija from Germany was diagnosed with a malignant tumor in her left breast that had metastasized. She started the initial treatments that included infusion of proteins and antibodies but hesitated when the doctors recommended that she proceed to radiation and chemotherapy. *“I didn’t want these procedures because I saw all the people who already got these treatments; they were suffering many side effects. They couldn’t walk or eat. They also lost their hair and got weaker. I didn’t want to become like them,”* Tanija recalls.

While contemplating the way forward, Tanija received an invitation to participate in the Healing Streams in 2022. It was a marvelous time for her as she experienced God’s love in depths she could never have fathomed. She relates the experience: *“When Pastor Chris ministered to a woman with cancer, I placed my hand on the screen and received my healing. Immediately after that, I touched my breast and I couldn’t feel the mass anymore. This was such a wonder for me and I thanked God for my miracle.”*

At Tanija’s next hospital appointment, the scans showed no evidence of the tumor or metastases. She is completely healed and now lives her life in service to the Lord and with a wholehearted dedication to reaching the lost. *“I told many friends about my healing and led them to Christ. I started a cell group and all I want to do is win souls for the Lord,”* she concludes.

There are just so many testimonies that stand out in iconic glory to the all-powerful name of our Lord Jesus. They bear proof of the faith of the saints and God’s compassion to have everyone enjoy the divine life in Christ. The Lord has healed many in our day and now He wants to heal you, too. Yes, YOU! All you need do is believe. Voice your faith and act accordingly, and you will receive a miracle from this same Jesus!

GOD CAN DO ANYTHING

There were some changes with our accommodation and we had to be rehoused. Not only that, but there were also moving costs to consider. So, there were some financial challenges and I was at a point of desperation. I really needed God to come through for me in my finances.

I started to inquire about ministries that dealt with miracles and the miraculous because I wanted physical healing for myself and financial healing for my family. I was led to start watching Pastor Chris, which was how I discovered the Healing School website and I saw the wonderful testimonies of persons getting healed.

After I contacted the ministry, I inquired about Healing to the Nations Magazine and had a copy sent to me. Looking at testimonies about Healing to the Nations Magazine, of the dead being raised back to life and all the wonderful healings that had taken place, my faith skyrocketed. I believed that God could do anything in my finances.

So, I placed my debit cards and bills in the magazine and prayed about my financial needs. Then, I sowed a seed toward the Healing School. God honored my faith and supernaturally blessed me. Within the hour, I received money unexpectedly. In the week that followed, I received multiple financial blessings from different sources. The monies I received covered my expenses and everything I needed and more.

Also, I experienced healing in my body. I had suffered hypertension for more than 10 years. I felt discomfort within my chest, alerting me that my pressure was high. I took the magazine, placed it on my chest, and felt my blood pressure normalize. I knew that was divine intervention. Afterward, I checked my blood pressure and it was normal. It's been normal ever since.

To God be the glory for all of it. Thank you, Pastor Chris. You have truly been a blessing to our family. May God continue to pour into your ministry and life, and may He continue to bless you. I love you very much. Healing School partners, I thank you and I encourage you to give more. My experience with Healing to the Nations Magazine speaks of a loving, caring God who's concerned about everything; not just our health, but also that we would prosper.

The Sweet Sound of Hope

ELISIVA FALEKAONO'S TESTIMONY

“Most days, she would just sit and stare into space. Even at family gatherings, she could not participate or contribute; she just looked on in silence.”

My daughter, Elisiva, was born deaf. She grew up unable to hear or talk,” Maria Falekaono reports. Those simple words, while apt, could not begin to paint the full picture of what life had been like for the 19-year-old Elisiva.

When Elisiva’s parents first observed that she couldn’t hear, they did all they could to get help for their child. They took her to referral hospitals and consulted specialists, both locally in Tonga and in neighboring countries. “The doctors wanted to operate on her ears but they could not guarantee that it would solve the problem. Another doctor recommended that we try hearing aids but the noise from the device hurt Elisiva so much that we had to take them off,” her mother relates.

Communicating with Elisiva became a specialized job that only a few people around her could manage. Her parents did the best they could with raising her but there were clear and wide gaps between her and the rest of her siblings. She could not play with them or carry out daily chores without assistance from others.

Despite being surrounded by family, Elisiva was locked away in a world of her own, unable to reach out to anyone or share the thoughts in her head by reason of this condition. Maria says, “Most days, she would just sit and stare into space. Even at family gatherings, she could not participate or contribute; she just looked on in silence.”

It seemed that Elisiva would have to spend the rest of her life this way, without the benefit of ever connecting fully to her loved ones and the world around her. But things changed when someone introduced Elisiva and her family to the ministry of the man of God, Pastor Chris, and the Healing Streams Live Healing Services.

Elisiva and her mother joyously testify

her that the man of God said she was healed. With tears in her eyes, my daughter nodded and agreed that she was healed! She could hear me!”

Everyone was elated. This was a miracle indeed! The days and weeks that followed were filled with daily marvels and endless celebrations as Elisiva started learning to talk. Maria says, *“There has been a total change in my daughter’s life. She can do things by herself now, she responds when her siblings tease her, and she can play to her heart’s content. I am at peace now, knowing that communicating with her is easy. She’s a quick learner who knows what to do once she is told.”*

“There has been a total change in my daughter’s life. She can do things by herself now, she responds when her siblings tease her, and she can play to her heart’s content. I am at peace now, knowing that communicating with her is easy.”

Elisiva’s mother narrates: *“A lady, Sister Diana, came to us and showed us videos from past healing services. She was always sending these videos to everyone in the family. Elisiva loved them and would always come to check our phones for new messages from Sister Diana.”*

Seeing so many miracles and watching the testimonies, faith began to build up in Elisiva’s heart. When the next edition of the Healing Streams Live Healing Services with Pastor Chris came up in July 2021, she and her family were ready for a miracle. They registered and readied themselves for a supernatural encounter.

“I helped them register and I invited them to participate at my healing center so that I could translate during the program. They were full of faith and Elisiva was ready to receive her healing,” Sister Diana states.

Healing Streams was a momentous occasion for the teenager. It would be the culmination of her faith and expectations. Maria, Elisiva’s mother, continues the story: *“When I heard about the upcoming Healing Streams, I knew this was our opportunity for a miracle. I had faith but, more importantly, I could see that my daughter had faith, too. Her desire to be whole and normal, to learn to speak fluently as the rest of our children, was obvious.*

“On the second day, Pastor Chris said, ‘If there is anyone that is sick, you are healed.’ I turned to Elisiva and told

“I praise God from my spirit. I am so happy for this miracle in my daughter’s life. All our neighbors witnessed what happened; they were so surprised to see God’s power transform Elisiva’s life. There was no hope for her to hear, but God healed her through the man of God, Pastor Chris. It’s been a glorious experience for us.

“My husband and I have given our lives to the Lord. We don’t have enough words to thank you for what you have done for our family, Pastor Chris. We pray and hope that you will continue in this wonderful ministry of giving life to families, cities, and nations. We love you so dearly.”

The Lord is gracious and kind. In one moment, He ended 17 years of affliction, isolation, and depression. Now, Elisiva’s daily experiences are of faith and rekindled hope. She can hear of the goodness of the heavenly Father and praise Him with the fruit of her lips.

In a heartwarming conclusion to this story of joy and hope, Elisiva herself testifies: *“I am now happy that I am healed. I can now help out at home. I clean, wash, and help my mother look after my younger ones. Now, my mother has more time to rest and enjoy life because I can help. I talk to my father on the phone and he is so happy that I have been healed. On the phone, he said to me, “Siva, thank God for your healing. I love you.” I can pray and sing to God, and I study the Bible morning and evening.”*

SMILING ALWAYS: REASONS & BENEFITS

When you approach someone and they break out a welcoming smile, you will most likely respond with a smile of your own. That simple expression of joy and gladness is an invitation to a pleasant encounter and productive experience. Your smile is not just an expression, it is also a vent for the innate joy and life-giving light of God in you. With it, you dispense hope to the weary as you broadcast the assurance of triumph over all circumstances through faith in Christ Jesus. Amidst the pressures and busyness of daily life, however, the desire to smile or laugh may become lost. Making a conscious effort to smile and laugh often should become a habit and consistent practice for you.

Here are some reasons to smile more.

- **You are beloved and esteemed.** God loves and values you highly. You are so important to Him that He sacrificed His only begotten son for you. Now, the Lord is determined that you enjoy perfect health, absolute safety, and peaceful prosperity. What is there to frown about when all things are working together for your good?
- **You have the code for perpetual victory.** God's Word is the sound-code necessary for your triumph over all situations and circumstances you may face. As you meditate on the Scriptures day and night, the knowledge and revelations in your spirit will etch an indelible smile on your face every time.

Wielding your smile always will yield myriad physiological and psychological benefits.

- **Smiling triggers happy hormones and alleviates stress:** When you smile, your face flexes muscles that release endorphins, dopamine, and serotonin – neurotransmitters that help you feel happier and reduce stress, while also dispensing happiness to all who come in contact with you.
- **Smiling lowers blood pressure and the risk of heart diseases, and strengthens immunity.** Smiling improves heart rate and regulates blood pressure, thus lowering the risk of developing heart

disease. One way to deal with high blood pressure is to smile and laugh more often. Take your mind off worrying issues and focus on your blessings.

- **Smiling makes you attractive and slows aging.** Smiling negates worry and the wrinkles that come with it, causing one to look younger. It also causes an increase in the body's production of HGH (an anti-aging hormone). Moreover, smiling makes your face more attractive and can be as therapeutic as a massage or anti-aging facial at a five-star spa. So, smile today and save yourself some bucks.
- **Smiling reduces pain.** Endorphins released when you smile contain moderate pain-relieving properties and act as a natural painkiller when you're injured. Also, endorphins strengthen your body's immunity. Think happy thoughts and find your smile to help alleviate pain and increase your capacity to endure.
- **Smiling strengthens bonds and deepens relationships.** People who smile a lot are more likable and more approachable. They tend to attract friendship from others, inspire confidences, and generally form better relationships. Smiling promotes the feeling of acceptance, enhances teamwork, promotes group bonding, and diffuses conflict.
- **Enhances performance and productivity.** Smiling can increase your productivity by boosting confidence in your ability to fulfill assigned tasks and diffusing pressure. Smiling can be a 'creative thinking exercise' because it creates a positive mood that makes you better at problem-solving. A more jovial team leader, for instance, can rally teammates and help them deliver assigned tasks optimally.

Practice Smiling

A simple way to get into the habit of smiling every time is to remember how much God loves you, the vast inheritances He has bequeathed to you, and the countless testimonies of His goodness in your life. Go ahead, smile right now, and keep at it from now on.

FAITH'S PROCLAMATIONS of HEALING & HEALTH

“Keep {and} guard your heart with all vigilance {and} above all that you guard, for out of it flow the springs of life” (Proverbs 4:23 AMPC).

Don't let just anything come into your heart; only accept the Word of God. This is vital because you can't give what you don't have. If you don't have the Word of God in you, you can't speak it forth. **Proverbs 4:20-22** says, **“My son, attend to my words; incline thine ear unto my sayings. Let them not depart from thine eyes; keep them in the midst of thine heart. For they are life unto those that find them, and health to all their flesh.”**

Let the Word of God fill your meditations. The result would be that your words will become consistent with what God's Word says. The truth is, you can't meditate on the Word of God for long enough without it changing the way you talk. It will fill your heart with faith and put away contrariness from your tongue.

Jesus said, **“...If ye have faith as a grain of mustard seed, ye shall say unto this mountain, Remove hence to yonder place; and it shall remove; and nothing shall be impossible unto you” (Matthew 17:20).**

CONFESSIONS

I have the life of God in every fiber of my being, in every bone of my body, and in every cell of my blood. I am what God says I am! I can do all things by His strength and ability at work in me. I increase from strength to strength and from glory to glory. Blessed be God!

Greater is He that is in me than he that is in the world. Therefore, sickness cannot stay in my body. I have the life of God in me; from the crown of my head to the soles of my feet. I live and walk in supernatural, perfect health.

All of divinity resides in me. I am a carrier of divine life, and I am complete in Christ Jesus. I am an associate of the God-kind, a partaker of the divine nature. I am filled with God, I am full of God, and I am replete with God. Nothing else needs to be in me to make me divine.

Sickness, disease, and infirmity have no part in my life. I can never be sick. I am born of God, not of blood or the will of the flesh or the will of man. The transcendent life that makes it impossible for divinity to be corrupted or defeated is what I have in me.

I am triumphant always and in all circumstances. I walk in dominion every day of my life. I have and walk in the consciousness of the divine essence. I rule over sickness, disease, death, and the elements of this world. I celebrate my oneness with Christ today and always.

My head, my eyes, my heart, my lungs, my kidneys, my liver, and all the organs and systems of my body are functioning optimally. Eternal life is at work in me. I am not a mere, ordinary human person! I am a divine being!

God's Word is life and health to my body. Its transforming power changes the circumstances of my life and causes my health to flourish. I live in the Word and I refuse to fear, be sick, or be defeated! I will not be subject to disease or infirmity.

I have the imperishable life of God in me; therefore, I live continually in divine health and strength. I do not get sick because I have the life and nature of God. The Greater One lives in me. I stand as a king and I reign in life victoriously. Praise the Lord!

Through me, the Lord is doing signs and wonders. I have the Word in me; words with the capacity to effect changes. I release words into the realms of the spirit today to effect changes in my health, wealth, peace, and prosperity. Nothing can bring me down.

All things are mine. The Lord has given me all things that pertain to life and godliness. Christ lives in me; therefore, my life is glorified and my body is vitalized. No sickness, no disease, no infirmity, no death can stay in this body. I function in perfect health.
